

The All Saints Church Kingdom Circle – A Planned Giving Legacy Society

“For where your treasure is, there your heart will be also.” Luke 12:34

A planned gift is an intentional gift made to All Saints Church separate from annual pledge payments. It most often takes the form of a bequest in your will; although it may also be given during your life. Anyone can make a planned gift – it is not reserved for the wealthy.

Planned giving is one expression of the wise use of the resources God has entrusted to us. When you make a planned gift to All Saints, you become a member of the All Saints Church Kingdom Circle – a legacy society, which is a symbol of your faith and commitment to His Kingdom. The Kingdom Circle society connects you to the church and to other devoted individuals.

God has brought All Saints to an extraordinary moment. Our rich history of Christian belief, spiritual passion, and faithful sacrifice has helped build His Kingdom. Now is the time to preserve and expand our good works into the future and to serve more of God’s people, both near and far.

God has blessed us with so much:

- Rapidly expanding outreach ministries—locally and globally
- Gospel ministries that grow our church family and serve in Jesus’ name
- Biblical teaching and preaching that changes hearts and lives
- A loving parish and clergy that care deeply for one another

A planned gift to All Saints Church ensures that our good works, together with the Holy Spirit, live on into the future for our loved ones and our community.

Would you prayerfully consider completing a Declaration of Intent to make a planned gift and, thereby, become a member of All Saints’ Kingdom Circle? Truly, this is a symbol of our faith and our calling from God. We recognize that life events may change your plans. A Declaration of Intent is not a binding obligation; rather it expresses your current desire to give.

God has blessed our church greatly, and we continue to expand our ministry as disciples of Jesus. The Kingdom Circle is an opportunity to further this mission and trust more fully in God’s grace. Please consider joining All Saints in this special way.
