

All Saints Church Listening Sessions Survey

The All Saints Church Vestry is providing listening sessions as an important part of the Rector search efforts. This survey is designed to gather your view of the ministries of the Parish and identify strengths as well as opportunities for growth. As you answer each question, please consider the commitment and effort you feel the Parish is putting towards each of these ministries. Your input will help us recruit and select a Rector ideally suited for All Saints Church.

Please read each question and mark your answer from 1-10. There is also an opportunity to write in any additional suggestions you might have at the end. Thank you for your participation!
